2. As the grants allotted to this Department during the current year are quite inadequate, it is not possible to make available the requisite funds for the acquisition of the property in question unless an additional grant is sanctioned by Government for the purpose.

Chief Secretary to Government. 29/11/34

Ron 29/11

CHIEF SECRETARY 30 NOV. 1934

RR 30/11/34

As the intention of the proposed acquisition is to construct quarters for Police Inspectors, the Protection Branch may be consulted as to whether the funds required can be spared from the Budget of the Police Dept

If even this is not possible the question of giving an additional grant under 'Civil Works' will have to be considered

It is not likely that there will be any savings in the Police budget of the current year. If the Police budget results in any savings they will have to be

Serial No

utilised for according additional grant which the I G of Police has already applied for under certain heads

Apart from the availability or otherwise of any savings in the Police budget for meeting the cost of acquisition of the land in question, the budget procedure may not permit of the utilisation of the savings under Police budget for the expenditure under Public Works Dept budget. All Police buildings & lines and their repairs come under "24 Civil Works" & the cost of the acquisition of these sites will have to be added to the capital cost of the building.

Recently the installation of electric lights to the office of D-I-G Kolar was sanctioned as required by the I G of Police the cost being met out of the budget of the Police budget as proposed by the ~~Chief Engineer~~ The Chief Engineer pointed out that the cost of the installation ought to be added to the capital cost of building & as such it should be borne by the P W D budget The order sanctioning the installation had to be modified accordingly.

Acquisition of Lands for the Construction of Power Lines in Mysore

File No 2071/8 of 193

General and Revenue Secretariat

In the light of the above facts it seems to be expedient to sanction an additional grant of the amount cannot be found by reappropriation of funds from some of the head under "Irl. Civil Works". Seeing that the amount required is not a big one.

3/12/1934

It is not likely that there will be savings in the Police Budget to meet this as the P.W.D is applying for additional grants. The amount will have to be an additional grant under the P.W.D. Budget

Dated 12th Novr. 1934

FROM

B T KESAVAIENGAR, Esq. B.A.,
CHAIRMAN CITY IMPROVEMENT TRUST BOARD
MYSORE

CHIEF SECRETARY
Rec
12 NOV. 1934

Encl AM 14/11 To

The Chief Secretary to the
Government of His Highness the
Maharaja of Mysore, Bangalore.

SIR,

I have the honor to forward herewith a scheme for acquiring a portion of property No.2 (177) in Block No.27 Lashkar Mohalla, Mysore City, belonging to the Jaghirdar of Sivasamudram for constructing additional quarters for Police Inspectors and to request that you may be so good as to obtain very early sanction of Government thereto.

All the formalities enjoined under Section 16 of the City of Mysore Improvement Regulation have been gone through in respect of the said scheme and the following papers relating thereto are herewith submitted for kind reference:-

1) Copy of Notification No.2/34-35 dated 12-8-1934.
2) Copy of Board's Resolution No.XXIII dated 22-10-34.
3) Plans and estimates in duplicate and rental value Statement.

It was once proposed to acquire the whole of the said property. But as the cost of acquisition was estimated at Rs.25,400/- a reference was made to Government in this Office No.821 dated 14th February 1934 requesting for an additional grant to the Board to meet the cost of the said

acquisition. The Government ordered that it was not possible to sanction the additional grant asked for and hence the scheme had to be deferred (Vide your letter No.6861/L1.34-33-7 dated 15th March 1934).

Subsequently, under instructions, another scheme to acquire only a portion of the said property measuring 31½' x 73' and 44½' x 93½' for building additional quarters for Police Inspectors was prepared, the cost of acquisition being estimated at Rs.3,900/-. Under Section 16 of the City of Mysore Improvement Regulation, this portion of the property was notified for acquisition and in response to the notice issued, the Manager to the Jaghirdar of Sivasamudram filed a petition on 8th October 1934 (copy enclosed) stating that he had no objection to the acquisition of the portion measuring 31½' x 73', but that the acquisition of the other portion measuring 44½' x 93½' would cause immense inconvenience to the Jaghirdar and that as such, the acquisition of this portion might be postponed or the whole building acquired once for all. The petition was placed before the Board at their meeting held on 22nd October 1934. The Trustees having carefully considered the representations made by the petitioner and after inspecting the spot resolved that 15 feet from the main building be kept open as a back yard for the house and the acquisition proceedings carried forward in respect of the remaining area proposed for acquisition. Accordingly, the scheme has been modified and herewith submitted for favour of sanction.

The cost of this modified scheme is estimated at Rs.2,576/- and it will have to be made available under "24 Civil Works - Civil Buildings Original Major" as stated by the Superintending Engineer, Mysore Circle in his letter No.B.115 dated 28th July 1934 to the Chief Engineer, copy of which is also enclosed.

Proceedings of the 4th Ordinary Meeting of the Board of Trustees for the Improvement of the City of Mysore, held at the Chairman's Office on Monday the 22nd October 1934 at 8-15 A.M.

Present.

Copy of petition No.83/34-M. dated 6th October 1934 from Mr Mohamed Tajuddin Saheb, B.A., Manager to the Jaghirdar of Sivasamudram, to the Chairman, Mysore City Improvement Trust Board, Mysore.

Re: His Notice No.45/34-35 dated 3-9-1934.

" With reference to the above Notice which was received by the Jaghirdar on 15-9-34, I have been directed to reply as under, which I have the honor to do for your kind consideration and favourable disposal.

1. The western boundary given in the notice is not fully correct It is stated, the portion to be acquired is bounded on the west by ಪೊಲೀಸ್ ಕ್ವಾರ್ಟರ್ಸ್. It ought to be Police quarters, as the 1st item viz., area measuring $31\frac{1}{2}$' x 73' is bounded by the Police quarters on the west The other iter viz., $44\frac{1}{2}$x$93\frac{1}{2}$ is completely bounded by the Jaghirdar's quarters. The notice may kindly be correctly accordingly.

2. With regard to the proposed acquisition of only a portion of the properties of the Jaghirdar, as notified, I have no objection if only the 1st item is acquired, as such acquisition does not cause much inconvenience to the residential quarters to be left out from acquisition.

3. But with regard to the acquisition of the 2nd item (viz., area measuring $44\frac{1}{2}$ x $93\frac{1}{2}$) the acquisition may either be postponed or the whole building is acquired once for all, as the acquisition of only this portion would cause immense inconvenience to the Jaghirdar which may be briefly noted as under -

1 This item contains a small park which is mainly intended for the gosha ladies of the Jaghirdar.

2. There is a small garden which has got many fruit bearing trees which are preserved on account of hallowed memory.

15

3. This is the entrance which leads to the servants' quarters and latrines which are towards the North. If this open space is acquired the scavenger will have to go to these places, through the southern main entrance which is objectionable and highly inconvenient.

4. It is highly undesirable that the Police Inspectors' quarters should be located, so close to the residential quarters of persons of the type of the Jaghirdar whose people are un-accustomed to such neighbours.

5. Herewith I have submitted a rough plan, showing the respective localities and the purpose for which each is specially designed and dedicated. If the 2nd item is acquired it would cause considerable inconvenience to the Jaghirdar as he finds it very difficult to replace them by any other method. A personal inspection of the building would bring home the inconvenience that would be caused to the Jaghirdar if only this portion is acquired.

4 Under the foregoing circumstances among others which would be explained in person if an opportunity is given, I request you to kindly acquire only the 1st item and give up the 2nd item. If on the other hand, the 2nd item is also to be acquired, the whole building might be acquired, after providing necessary site in the same locality, so that the Jaghirdar might build a separate building so as to enable to pay the time honoured homage to His Highness the Maharaja on all State occasions near the premises of the Jaghirdar."

Chairman.

2

HRS.

Copy of letter No.B.115 dated 28th July 1934, from the Superintending Engineer, Mysore Circle, Mysore, to the Chief Engineer of Mysore, Bangalore.

Ref:-Acquisition of the rear portion of the property belonging to the Jahagirdar of Sivasamudram in Doddapet, Mysore.

I have the honor to inform you, that the above work was ordered by the Dewan of Mysore, on the 15th instant for building additional quarters for Police Inspectors, as can be seen from the extract of the order noted below.

" The rear open yard, belonging to the Jahagirdar may be acquired and utilised for building additional quarters for Inspectors."

2. The Chairman City Improvement Trust Board has accordingly forwarded an estimate amounting to Rs.3,900/- for the same, which is herewith enclosed for perusal and orders.

3. It may be mentioned that this acquisition formed part of the scheme for the formation of the circle, near the Central Police Station on Doddapet Road, the plan and valuation statement of which are submitted to you with this office No.1766 dated 10-4-34, and which were ordered to lie over for want of funds in Public Works Secretary's letter No.153/s dated 13-7-1934.

4. Since the acquisition now ordered by the Dewan, has to be effected either under mutual agreement or under the provisions of the Land Acusition Regulation, the President has stated that necessary amount may be placed under his disposal, for necessary action being taken in the matter. The amount of Rs.4,000/- nearly required for this acquisition has to be made available under "24 Civil Works - Civil Buildings original Major," as the intention of the acquisition is to provide quarters for Police Inspectors I request that necessary funds may therefore be kindly made available.

17

No.B.933 dated 28-7-34.

Copy of the above is forwarded to the Assistant Engineer, Head Quarter Range, Mysore, for information.

Sd. R. W. Scaldwell,
Superintending Engineer,
Mysore Circle.

No.224 dated Mysore the 30th July 1934.

Copy of the foregoing is forwarded with compliments to the President, City Municipal Council, Mysore, for kind information, in continuation of this office No.100 dated 19-7-34 forwarding copy of extract of the orders of the Dewan's Inspection.

Sd. S. Ramaswamy.
Assistant Engineer,
Head Quarter Range, Mysore.

" Copy."
